

The Seventh International Conference Geometry, Dynamics, Integrable Systems – GDIS 2018

5–9 June, 2018, Moscow

VIIth International Conference «Geometry, Dynamics, Integrable Systems – GDIS 2018» will be held on June 5–9, 2018, at the Moscow Institute of Physics and Technology, Moscow (Dolgoprudny), Russia

FINANCIAL AND SCIENTIFIC SUPPORT

Steklov Mathematical Institute of RAS
Journal “Regular and Chaotic Dynamics”
Institute of Computer Science
Mathematical Institute SANU

ORGANIZERS

Alexey Borisov, Vladimir Dragović and
Valery Kozlov

MAIN TOPICS

- Nonholonomic mechanics and multi-body dynamics
- Systems with friction
- Classical mechanical integrable systems
- Optimal control, sub-Riemannian geometry and vaconomic mechanics
- Algebraic-geometric methods in mechanics
- Applications to robototechnology and biomechanics
- Vortex dynamics

IMPORTANT DATES

Preliminary registration: 10 March 2018
Abstracts due: 15 April 2018
Workshop: 5–9 June 2018

PRELIMINARY REGISTRATION

Please, send a letter confirming your intention to attend the Conference, together with the preliminary title of your talk, to the local organizing committee by email: press@rcd.ru. The preliminary registration close on 10 March 2018.
